

## Arrival to Incheon International Airport

### DO NOT TAKE TAXI FROM INCHEON TO KUNSAN.

If you arrive in Korea by commercial airline you will land at Incheon International Airport. There is a military counter at the airport that will be able to help you with any question you may have regarding transportation (where the counter is to buy tickets, etc...). The military counter is located by exit 14.

If you arrive by commercial air it is recommended you stop at an ATM in the airport to get some won (South Korean currency). The bus fare from Incheon to Gunsan City bus station will be approximately ₩26,000 (\$25). The bus will stop at a rest area on the way so you will need won if you want to get a snack or drink.

A sponsor may pick you up at the Gunsan City bus station but just in case they can't you will need approximately ₩20,000 for the cab ride. See info below concerning bus schedules and cost.

There is also a shuttle bus from Incheon to Osan Air Base that the military counter can provide you info on. Once at Osan you can buy a ticket for the Wolf Pack wheels at ITT that will bring you directly onto to Kunsan Air Base.

### City Bus From Incheon International Airport to Gunsan City

₩25,800 each way

Bus departs 0820, 1010, 1350, 1530, 1740, 1910 & 2140

Departs from Gate 9C

You will arrive at the local city bus station in downtown Gunsan City. Please arrange to have your sponsor pick you up or call a base taxi to get you on base. Note: city cabs can only take you to the front gate.

To call an AAFES taxi from off base, dial 063-470-4318. Travel from bus station is about 30 minutes and costs approximately \$15.

To arrange pickup from an AAFES taxi at very early morning hours, contact the AAFES taxi manager, Mr. Kim, 0800-1700, Monday through Friday, one to two days in advance.
